

ART MENU– 29th June-3rd July

Hi everyone!

I can't believe that's another week over– they are flying by. I hope all has been ok at home this week and with your home schooling. Both of these art activities are activities we will be doing in our Year 6 bubbles this week. It would be great if you would like to have a go at them at home too– it will make us feel like we're a bit more united as a school– even if we can't all be physically on site together in school.

Miss Hall X

1. 

I have attached a PDF document to guide you through designing your own graffiti “Throwie” if this is something you would like to do.

2. DAVID ZINN STREET ART

<https://www.youtube.com/watch?v=f885C3fD-u4>

Create your own piece of outdoor street art like David Zinn and his adorable character “Sluggo”. Watch the BBC clip and look at the PowerPoint (thank you to Mrs Brown for making this!) to get ideas. Then using chalk (important– it must wash off in the rain!), find a suitable place outside your home to create your own.

****Don't go around Wooler vandalising and creating unwanted graffiti though!!– somewhere on your own home property will be perfect. Your drive, your yard, patio etc.

PLEASE SEND YOUR PICTURES INTO SCHOOL– it would be fab to make a little gallery!
