

ART MENU– 15th-19th June

Hi everyone!

It has been a busy week back in school and we have loved welcoming some of Year 6 back. It has been a bit different, but good nonetheless. We are really missing all of the rest of you though– I hope you are still keeping up with the home school and managing to be creative!

Miss Hall X

INTERESTING ARTISTS <https://www.bbc.co.uk/bitesize/articles/zxr3trd>

This activity will help you to learn about three iconic artists: Andy Warhol, Wassily Kandinsky and Jan van Eyck. There are three videos to watch and a choice of three activities to have a go at after watching the clips. I especially like the look of the POP ART task from the Tate gallery!

SELF-PORTRAIT HANDS -

I would love you to have a go at this activity– we will be doing this in school. Draw around your hand and then fill the inside of your hand outline with lots of intricate patterns before adding colour. I would then like you to add a border to the page which you can also decorate. In the empty space between the border and the hand, write about the last few months and what they have been like. How has it felt to be at home all this time?: what have you loved and what have you missed? What have you learned about yourself and about what is important to you? What are your hopes for the future? Don't worry about spelling or errors– it will be a something that you should keep to look back on in years to come as a reminder of this truly historical set of events and how they made you feel.

Perhaps you could upload some of your artwork to See Saw, I'd love to be able to see if!

Have a great week everyone, Miss Hall XXX
