

Hi Year 7,

I hope you are all well and that you had a fantastic Easter with your families. I am really missing you all and am missing seeing your work and how you are getting on. Hopefully it won't be too long before we get back to normal though. In the meantime, I expect that you are looking forward to getting stuck into your new topics for the Summer Term! This is our new art topic:

Year 7 Summer Term Topic- Georgia O' Keefe and Fruit Colour Studies

This topic normally ends with a felt making session- we will definitely complete this as soon as we're back to school but we can get prepared with all the background as part of your home school tasks.

Have fun and take care of yourselves and your families,

Miss Hallx
