

Year 7 English Week 2

Hello Year 7!

Hope you're all ok and managing to use the school website to complete your work! Remember, you can use this time to work through that reading list that I gave you at Parent's Evening too with all this extra time on your hands too! I will upload another copy in case you have lost it!

Here are your tasks for this week. I would like you to start off with SPAG revision. This will help you with your writing task at the end of the week.

Lesson 1- Common spelling errors and mixed apostrophes sheets.

Lesson 2- Semi- colon revision and conjunctions sheets.

Lesson 3 and Lesson 4- Romeo and Juliet Writing Task- Coroner's Report. Write it up in rough, proof-read it for spelling and punctuation. Check you have used conjunctions/linking phrases at the start of paragraphs etc. Write it up in neat.

Extra: Romeo and Juliet crossword

Have fun, work hard and be good for your families! I'll be back with your tasks for next week soon!
