

ART MENU– 1st-5th June

Hi everyone!

I hope you all had a lovely half-term, the weather was wonderful so hopefully you all made the most of time spent outdoors and perhaps a trip to the beach. A few more arty suggestions for this week. Some in 2D and some 3D. Have fun being creative and stay safe,

Miss Hall XXX

- **Make a piece of marbled paper using shaving foam and food colouring. Here is a link <https://www.tate.org.uk/kids/make/paint-draw/make-marbled-paper-foam>**

- **Weave a sculpture using chicken wire and strips of old fabric.**

- **Create your own piece of land art in your garden, at Wooler Common, on the beach or in the woods. Follow in the footsteps of Andy Goldsworthy and create your own piece of art using only natural materials. Watch this video of Goldsworthy describing his work and have a go at creating your own. https://www.youtube.com/watch?v=bkQEW11jC_I**

- **Oak National Academy Lessons:**

Perhaps you could work through a lesson or two on Oak National Academy. Followed in sequence, these lessons will help you practise skills.
