

ART MENU– 18th-22nd May

Hi everyone!,

I hope that you are all well and that you enjoyed the art tasks last week! Here are my suggested activities for this week:

- **Make a chocolate painting! Yep, you heard me correctly– you can thank me later!! Use up any of that old Easter egg chocolate still kicking about, to create something beautiful and delicious! Why not throw on a few sweets and sprinkles while you're at it! Here is a link <https://www.tate.org.uk/kids/make/paint-draw/make-chocolate-painting> Make sure you share it though– no scoffing it all yourself!**
- **Stop Motion Animation Part 2! For those of you who had a go at animating a coin using Stop Motion Studio a couple of weeks ago, here is another activity, this time using paper cut outs. Have a go! <https://www.royalacademy.org.uk/article/family-how-to-make-a-stop-frame-animation>**
- **Create your own scarecrow to say thank you to the NHS. It would be good to place it somewhere prominent so that other people can see and enjoy it on their daily walks. Here is an example of a great one...**

...This slightly more sinister looking one was what we managed at home! It was great fun though!

Enjoy– I'll be back next week with more ideas! Miss HX
