

French KS3 – Basic Revision

Weeks 7 and 8

Stater: Solve these sums:

- 1. Dix + deux =**
- 2. Trois + six =**
- 3. Neuf x trois =**
- 4. Huit + six + douze =**
- 5. Dix x quatre =**
- 6. Vingt-quatre / quatre =**
- 7. Cinquante / dix =**
- 8. Trente x deux =**

The Months of the year: Copy and complete

January - Janvier

February - Fevrier

March - Mars

April -

May -

June -

July -

August -

September -

October -

Novembre -

Decembre -

Now create a calendar – Titled:

Les mois de l'annee

Use 2 pages and split each page into six equal parts – write the French word for each month in each box and then accompany the month with a picture that symbolises that month

i.e:

decembre – Christmas

fevrier - Valentines day

avril - Easter

juliet - Summer Holidays

novembre – Bonfire night

Good luck guys – stay safe.
