History lessons for Year 8 will now follow the weekly lesson schedule from BBC Bitesize as these follow the national curriculum and make it easier for all to access the same work.

The schedule for this week's History Lesson is as follows:

Monday	Tuesday	Wednesday	Thursday	Friday
The civil rights movement in America				

Hi Year 8,

I hope you enjoy the lesson this week- its seems topical in a way with all of the protests that have been happening around the globe in response to the death of George Floyd in America. It is a crucially important topic to study in History.

If you finish this quickly and are interested, perhaps you can create a news report on the death of George Floyd which links to what you have learned in this lesson about prejudice and racism in America and globally.

Here are some links that could help you with this or that are just worth a watch anyway.
