

## Year 5 Computing: Home Learning Week 13

Greetings Year 5!

This week's activity focus is: typing and the layout of the keyboard!

Take care, stay alert, stay safe!

Mrs P, in ICT ☺

Task	Description
1	<ul style="list-style-type: none"><li>On your computer, open the internet browser and type in this link <a href="https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr">https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr</a></li><li>Alternatively, click on the link in this document.</li></ul>
2	<ul style="list-style-type: none"><li>Let's have fun, because it's nearly the summer holiday, and we have all been working hard!</li><li>There are four levels to play, and you should complete each one. If you have time, and you want to improve, or just have more practice, you can repeat a level at any time. It's up to you!</li></ul>
3	<ul style="list-style-type: none"><li>When you finish each stage, you can print off a certificate, which looks like this</li></ul> <div></div> <p>If you print any certificates, make sure you bring them to school to put into your computing folder, once we come back to school in September. If you want to keep some at home, make an extra copy!</p>
