Spring 2022

World Book day

For the first time in what seemed a long time, we were able to celebrate World Book Day on 3rd of March - and WOW - did we celebrate! One of the highlights of the day was seeing the fabulous costumes milling around the school. We began with an assembly where the teachers read extracts from their favourite books and then we continued the WBD activities back in the classroom. From book swaps - to live feeds with the Cambridge Theatre in London, it was great to be off timetable and enjoying the pleasures of reading. However, the one huge surprise was the enthusiasm and support for the Readathon! We had 42 pupils with sponsorship and the dedication to read for two hours - far more than expected - so we had to move to the hall instead. Thank you Mrs Jeffreys and Mr Pearse! The children were incredible ... with their blankets, pillows and bars of chocolate, they settled down to the calm and relaxing indulgence of reading. It was truly emotional when we saw that £564.40 had been raised for the 'ReadforGood' charity and we will definitely do this again next year. We really hope the children enjoyed it too. Lexi said 'It was good. It was fun and the readathon was peaceful. I'm sure it improved people's reading.' Lauren said 'It made me think about books a bit more.' Isaac said 'I really enjoyed World Book Day. It was great to hear about lots of different authors and their stories.'

Below are the winners of the costumes and some photos of the glorious day. Roll on WBD 2023!

Sophie , Hannah , Robbie , Matthew , Emily , Jay , Grace and Rowan .

<u>Iskon-Newcastle</u> - <u>Wednesday 16th March 2022</u>

We had a great class trip to Iskon temple Newcastle! When we first came in, we had to take our shoes off and sit down on cushions to show our respect. Then, Kirtilda, our amazing priest, played some calming music for us on the drums. Kirtilda told us about Hindu history and how it is disrespectful to eat cow's meat for they are the mothers of us and give us milk, cheese, yoghurt and more; this is why they are mostly vegetarian. After our brilliant discussion, Kirtilda said that we were welcome to dress up in traditional Hindu clothing and to be taught how to play the drums. Before lunch, Kirtilda had carried out an excellent ceremony for our future and the gods. After that, it was lunch. I was really excited to try the food! For lunch we were served rice, cheese and tomato soup and finally space bread which I loved! (Not actually space bread, just Hindu bread in the shape of a spacecraft). I thought we were done until...they brought out vanilla ice cream with strawberry sauce! It was delicious. Now tidied up, we said thank you to Kirtilda for our brilliant day.

My favorite part of the day was dressing up and listening to the drums. This gave me a sense of Hindu spirit and relaxation

Culture Bridge Arts' Recovert Projects

The last two years have been very difficult, especially for children who have lost out on so much time in school learning and with their friends. In July last year I was invited to apply for Glendale to be considered to be part of a recovery project. Funding would be allocated to successful schools to support the use of Arts' projects promoting pupils' academic and emotional recovery after the experiences of these successive lockdowns. This funding was through Culture Bridge and the Arts' Council. We were one of a small number of schools who were selected out of a huge number of applicants, and we were awarded £3000 to spend on fabulous creative experiences! So far we have used this funding on two main projects.

Dreamgirls

The first of our projects was a drama project. Ten pupils from Year 7 and Year 8 were selected to visit the Sunderland Empire to attend the "Dreamgirls" musical. For some of these pupils it was their first trip to the theatre so it was a very special day. The performance was incredible and we were all astounded by the incredible singing and choreography. The following day, Brandon Sears, the male lead from the production, came into school to work with the whole of our Year 7s and Year 8s in his "Yes, I can!" workshops. These workshops linked drama and movement with self-esteem building. The pupils absolutely loved the workshops with Brandon. He was totally inspirational and it was an experience we will all remember for many years to come. Some of us were also interviewed by a film crew, who visited school to document the process for Culture Bridge. It was all a little nerve - wracking, but the pupils interviewed were wonderful and articulated their experiences perfectly.

Bare Toed

The second project was an experience for Year 5. We invited the "Bare Toed" dance company into school to work with Year 5 on confidence building circus skills workshops. The pupils had the opportunity to try their hand at aerial work (hanging upside down on silks suspended from rigs) and many other exciting activities! It was great to see the team work and support the pupils gave one another - and to watch them all having fun with big smiles on their faces after they had mastered a headstand! The confidence they had built up during the course of the day by pushing themselves out of their comfort zones was wonderful to observe.

We still have some of the budget remaining and I intend to use it for a creative activity for Year 6 as a wonderful treat to look forward to after all of their hard work preparing for their SATs in the Summer Term. More to follow next term!

Miss Hall.

Mitchel:

On Thursday 3 rd March 2022 a group of Year 7 and Year 8 visited Sunderland Empire to attend the performance "Dreamgirls." The theatre was very posh and fancy and it was red and gold. We sat in the upper circle on seats A22-32 and we had an amazing view. We were in the middle front of the theatre so we could see everything. My favourite part of the show was when Jimmy (Brandon) pulled his pants down to his boxers and did the splits- it was hilarious. My favourite character was Effie White because she is an amazing singer. When I went to the theatre I was really inspired and you don't often get to go to the theatre with school. Brandon's assembly was fun, but embarrassing, because we had to dance. In his workshops we did shapes and dancing and acting. From performing I learnt to face your fears and get on with it. My favorite part of all of his workshops was when I had to pick an item out of the kitchen to be and it was my favourite part because it made me think hard. The item I chose was a knife because it would get used a lot I think work shops like this are important because it makes kids think hard and makes them face their fears but then succeed anyway."

Charlie J:

My favourite part was the dancing because it was really impressive. We did dancing and performed exercises which was really fun to do. I learnt that if you have to perform you have to push yourself, but it is definitely worth it.

Geography fieldwork in Wooler

Year 5 have been honing their fieldwork skills in their local area. Adorned in hi-vis jackets they made their way around various locations in Wooler to conduct traffic surveys, pedestrian surveys, field sketches, environmental quality audits and shop surveys. This gave the children the opportunity to practise real-life Geography skills in the field. This data is then analysed in school and used towards a comparison case study with South America. Euan commented that he felt like a real geographer and Hannah said it was brilliant to be outside and learning.

Wild About Adventure - Beach Tidy

On 9th March we went to Sugar Sands Beach, Longhouton where we were on a mission to find man made materials but we found none! We then went rock pooling and looked at ecosystems, walked along the headland and built a dam. We then built a fire and had roasted marshmallows. On 6th April we went to Hauxley, Druridge Bay, we walked along Route 1 then dropped on to the Beach. We saw the Petrified Forest, the remains of a forest from 7000 years ago. After lunch we went looking for fossils, It was a fun but very windy day!

<u>Curling</u>

Glendale Curling Club brought curling to Glendale Middle School and shared the history of the sport in an assembly with us and we got to take part in some curling in the gym. It was great fun!

KS2 Cross Country

Glendale Athletes made an eagerly awaited return to Longridge Towers for the KS2 Cross Country event. As usual, the refreshments, atmosphere and competition were out of this world. Throughout the afternoon, Glendale children were praised for their behaviour and sportsmanship. At all times, any children not racing were cheering each other on. Year 5 and 6 boys put in maximum effort however, the competition were just too good. Our Year 6 girls team placed 2nd in the group event, our year 5 girls team were winners of the group event and have brought back to school a gleaming trophy. Individually, Lauren came third in the individual event which was a massive achievement for her. Emily on the day said that she felt so proud of how everyone had competed.

Ad Gefrin

On a lovely sunny spring day in mid-March children from both of our schools were invited to join the community event to welcome the new stills to Ad Gefrin in Wooler. Year 4 and Year 8 were chosen as

our two oldest year groups to attend and we all enjoyed the spectacle of the stills arriving and making their way along the high street and down to Ad Gefrin. The high street was packed with members of the community old and young and it was lovely to get our children back out to a community event after the last 2 years where we have not been able

to do so. Thank you to the parents and family members who were able to join us for this event and to Curtis and Dan, our local police officers, for their assistance getting us safely across the A697.

Non school uniform day in aid of The Ryan Renton Appeal

We held a non school uniform day in school in aid of The Ryan Renton Appeal. Thank you to everyone who donated towards this cause.

Year 7 Derby Decides 3rd Place

On Thursday 24th March, Year 5 & 6 Boys took part in a Football Tournament held at Tweedmouth Middle School. This tournament involved local schools from the area. The tournament was played in good spirits on a lovely day in Berwick. Year 5 managed to finish in 4th place after a fantastic last game win against Longridge. Man of the Match Oakley said "After losing the first two games, we came back by scoring goals and eventually winning our last game".

Year 7 who were split into 2 different teams; were placed in different groups. After all games had been played both Year 7 teams had finished 2nd in their groups with the same amount of points, leading to a dramatic 3rd place play-off against each other!

After a hard-fought contest Glendale B came out on top thanks to 2 goals from Jay, also helping him become the top goal scorer in the entire competition. Fantastic effort, team work and behaviour all round on a fantastic day out for the school. Well Done Boys!

Easter Egg Competition

The Children's Easter Eggs were fantastic this year. It was so difficult to pick the Winners!

- Year 5 Mia & Hannah
- Year 6 Ellie Mai & Isaac
- Year 7 Lucas & Connor
- Year 8 Rhys

Books received in Africa in February 2022

37.452

Books to Africa

Here is a summary of how many books have been saved from landfill in the UK, and how many were processed, shipped and received in Africa, improving the quality of education for readers of all ages, cultural, and economic backgrounds with a veracious appetite for a variety of subjects.

ooks donated in the UK in February 2022

COMIC RELIEF

Little Acorns, Wooler First School and Glendale Middle School held a non school uniform day to raise money for Comic Relief. The school council thought it would be a good idea to create a habitat for their red noses. They were great!

You helped us to raise £222.50 for Comic Relief. Thank you!

Inter House Basket Ball

Wooler House were the winner of the inter house basket ball matches. Here is Sarah and Jamie receiving the Jimmy Givens basket Ball shield.

Chat Health Texting Service

School Health are relaunching the ChatHealth Texting Service for 11-19 year olds in Northumberland.

This service offers all young peop-le in Northumberland the chance to access online advice and support from a School Nurse through offering a discreet and quick text messaging service that is safe and easy to use. ChatHealth offers all young people access to health advice in a quick and secure way.

Safeguarding

This school is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. We are committed to safeguarding and have a culture of 'it could happen here' in all aspects of safeguarding and child protection. Any of our staff can listen and act appropriately on your concerns. We have specially trained safeguarding leads in our schools - these are our safeguarding team.

Mike Deane-Hall Headteacher and Designated Safeguarding Lead (DSL)

Victoria Symons Deputy Headteacher and Deputy DSL

Sarah Milburn

Teacher for LAC

and Deputy DSL

Payment policy reminder: school dinners are payable in advance on Mondays for the full week ahead, or on the first day of the week your child attends. The school will not provide more than 3 meals without payment being received. If there are arrears, the service will be suspended and we will ask you to send your child to school with a packed lunch until the arrears are cleared. A soup with bread and a choice of fruit for dessert will be served if your child is sent to school without a packed lunch. This will be charged at the usual school meal price. Daily reminders are sent from the cashless system to update parents on any outstanding arrears and a link is available to make payment. Should you have issues using the system, please ring the school immediately so that we can help you or bring cash to the school office. Thank you

Mon Tue Wed Thu Fri Sat

School Re - opens on Monday 25th April.

Class Photographs on Monday 25th April- please send your child to school in uniform. Thank you

Parent Governor Vacancy

We have one more vacancy for a Parent Governor. If you would like any information please contact the school office.

<u>Quiz Night</u>

The Easter Quiz night has been rescheduled until 20th May.

Bring a bottle and some nibbles to enjoy!

There are some Super Prizes to be won!

Email preschool@woolerandglendale.co.uk to book
